 What charity? _____

Circle which team you think will win each game. If you're right you get points (5, 10, 25, 50, or 100). Pick FIVE games you want as a "sure thing." If you get your sure thing games correct you get bonus points equal to the total score of that game (so try to pick high scoring games). If you're the player with the most points at the end we'll donate all the entry fees (\$10 entry fee) to the charity you list above. Check updates at our website located at www.sunnyhillschurch.com
